Spring is in the air which makes it the perfect time to do some spring cleaning on your BlackBerry® smartphone. Discover how to **extend battery life**, **clean up your files** and **make more room** in your memory for **more photos** and a new playlist or two.

Useful Tips For Conserving Battery Life

Don't have time to recharge your battery during the day? Always on the move and can't find a power outlet? BlackBerry® smartphones are known for their long lasting battery life but the following tips will help you stay powered up even longer!

Get started:

- › Close unneeded apps
- › Turn off or lower sound notifications
- › Adjust screen & keyboard settings
- › Set Auto On and Off times

Make Room For More

Heading into spring usually means packing away your winter togs and replacing them with more appropriate items. Well it's time to do the same with your BlackBerry smartphone. So back up your data, clean up your files, and make more room for new photos and a new playlist or two.

Get started:

- › Set the auto delete function
- › Save photos to desktop
- › Backup data & sync your media with BlackBerry® Desktop Software
